## **Real Property Records**

Real property records include the original acquisition files for the Rocky Flats Site, the legal boundary survey, records of transfer of jurisdiction of the National Wildlife Refuge lands to the U.S. Fish and Wildlife Survey, information on easements and other outgrants, information on the mining permitted areas on the western side of the Site, and issues resolution documentation.

A directory of the location of this information follows:

- Hard-copy real property records are currently stored in the Fire King file cabinets at the Rocky Flats office; these records will be transferred to the LM Records Storage Facility at the appropriate time. The records are organized in accordance with the LM Real Property File Plan.
- Real property records have been scanned into Hummingbird.
- Working-copy real property records will be maintained in Hummingbird and in hard copy at the Rocky Flats office and the Grand Junction office.
- Gap analysis and easement/encumbrance closeout information will be added as completed.
